# A brief guide to ISA

You can use ISA to save cash or invest in stocks and shares<sup>^</sup>. Al Rayan Bank only offers cash ISA.

For non-ISA savings accounts, from 6 April 2016 all banks and building societies are no longer required to deduct tax from the savings returns you earn. You have a Personal Savings Allowance\* allowing you to earn profit tax-free. However, once you reach your Personal Savings Allowance\* limit, you will be required to pay tax on your profit.

With a cash ISA you get to keep all of the profit you earn, and cash ISA is a tax efficient way to make the most of your money, regardless of how the Personal Savings Allowance\* applies to you. There is a limit to the amount that you can pay into a cash ISA in any one tax year, and you can only open one new cash ISA in any one tax year.

- ▶ You can invest the full amount in either a cash ISA or a stocks and shares ISA, or up to the full amount in a combination of both a cash ISA and stocks and shares ISA
- ▶ However, you cannot pay into more than one cash ISA each tax year, and you cannot pay into more than one stocks and shares ISA each tax year

<sup>^</sup>If you would like to find out about investing in a Sharia compliant stocks and shares ISA, we can put you in touch with an IFA. Fees will be charged for this service, arranged and agreed at the outset between yourself and the IFA. For more information or to book an appointment, please call our Customer Services team on 0800 4083 084.
